FOURTH SUCCESSFUL CAMELOT AUCTION sponsored by the Granite City Rotary and Optimist clubs, held Saturday evening at Sunsets Hill Country Club, with over 250 persons attending. The 1976 auction raised between \$8,400 and \$9,000, according to the club officials. The proceeds are divided between the two service clubs and used for local charitable projects. Prior

to the buffet dinner, Mrs. Eleanor Todoroff, left, examines an antique bottle and Mrs. Ruth Baker inspects an antique German beer bottle. Co-chairmen were Donald Shaffner and Robert Lombardi representing Rotary and John L. "Jerry" McDonald and Dr. F. Scott Hendrickson representing the Optimists.

## Deputies struck, 47 Missourians arrested

The arrest count today stands at 47. Missourians, mostly youths, after an unruly weekend beer party that saw deputies and police struck by bottles, bricks, stones and full beer cans.

The occurrence is prompting State Auditor Nichols Bryan to study ways of banning part or all of Chouteau Island to after-dark outdoor gatherings of the kind discovered at 9:30 p.m.

Friday near the low water dam in Granite City's Riverfront Park. Fifteen of those booked at the Madison County Jail were juveniles. Estimates of the crowd varied from 250 to 300, with a 14-to-24 age range.

Only specific injury listed was a cut on the right hand. None of the sheriff's deputies suffered any injuries. Two broken fingers on the left hand, he was treated at St. Joseph's Hospital, Alton. Others were treated at the scene or at hospitals.

More than a dozen autos were towed from the scene. Most of the persons present were from St. Louis and St. Louis County, but a few were from Joplin and Springfield.

The first call to the area followed an auto accident near the low water dam.

The couple was in an old red or maroon Chevrolet with no hood. It was the rear car around the driver's lane of the restaurant before the robbery.

The same couple was believed seen with another young woman in Sambo's Restaurant on North Main Street about 3 a.m. Friday. The other woman was described as about 5 feet, 3 inches tall, about 17 years old, weighing about 140 pounds, barefoot and having a broken lip and broken front teeth.

The robber was described as about 5 feet, 7 inches tall, weighing 135 pounds, having

## Traffic injuries up here; fewer deaths

By HARRY BARNES  
Press-Record Staff Writer

The number of personal injuries accidents in the Quad-City area during the first nine months of this year, and the number of persons injured in those mishaps, increased sharply over those reported in the same period during 1975,

statistics compiled by the Press-Record showed today. But during the same period, traffic records showed the number of deaths resulting from vehicular accidents fell substantially below the nine month period of 1975.

A total of 74 personal injury accidents—mishaps in which

maintained the same ratio of increase in the number of injury accidents as has occurred throughout this year, while two traffic fatalities last month were the same as reported in September 1975.

## Sewer installation bids near estimate

Construction bids close to the engineers' estimated cost of \$15,555,529 were offered by the Madison County Board's Special Sewer Committee Thursday afternoon.

The bid will install new installation of Area One sanitary sewers to serve Nameoki, Chouteau and Venice Townships. Bonds have not yet been sold and litigation against the project continues.

A joint bid from S. M. Wilson & Co. and G. H. Sternberg & Co.,

both of Granite City, at \$15,554,306 was the low total bid. A lower total may be possible if all offers are certified as meeting legal and bid requirements and the work can be divided among all or some of the six low bidders in 18 categories.

Although adding the lowest quotation in each division indicates the lowest bid could be construed to \$15,554,306, Edward Juneau, chief engineer on the project, warned that many factors affect the awarding of the contracts.

Preliminary calculations are that the contract's total cost will be \$15.5 million. The state will join the county in determining the best approach to apportioning segments of the work, some adjacent to each other and others widely separated.

He said there are too many engineering and legal factors to assume that low bidders in each of the 18 categories will be acceptable to the committee, the bonding attorneys, the Illinois Environmental Protection Agency, Madison County and all of the others which must act on the contracts.

"Some of the bids may contain mistakes. We already are receiving calls from some contractors who believe they made a mistake in part of the bid. There are just too many factors to be considered to say, at this point, who the lowest practical bidders are," Juneau related yesterday.

The bidder is believed to have left through the rear door and the employees were unable to tell if a car followed him.

They said they pushed on the cooler door for about 10 minutes before they got it open far enough to squeeze out and call police.

The employees told police the young man may have been accompanied earlier by a young woman with blonde hair, about 5 feet, 7 inches tall, thin and hairy, weighing about 140 pounds. She had a tattoo on her right arm. She also may have the word "Love" tattooed in a hand.

The couple was in an old red or maroon Chevrolet with no hood. It was the rear car around the driver's lane of the restaurant before the robbery.

The same couple was believed seen with another young woman in Sambo's Restaurant on North Main Street about 3 a.m. Friday. The other woman was described as about 5 feet, 3 inches tall, about 17 years old, weighing about 140 pounds, barefoot and having a broken lip and broken front teeth.

Drought conditions in the Quad-City area grew even worse during September with only .62 of an inch of rain received during the month at the Chain of Rocks weather station, records are maintained for the Army Corps of Engineers.

It was the third month this year in which less than an inch of rain occurred, and the eighth in which total precipitation for the entire month amounted to less than the normal precipitation.

Only one month so far this year has received more rain than normal. That was March when precipitation of 2.69 inches was recorded against a normal of 2.34 inches.

The other months in which rainfall measured less than one inch were January and February and an identical precipitation of 46 of an inch in February.

In April, only 1.14 inch of rain registered against a normal of 2.71, while in May the total was 2.97 inches against a 3.73-inch normal. Rain during June totaled 1.12 inches (normal 4.27) and in July totaled 1.49 inches (normal 3.30).

August rainfall of 1.64 was well below the normal for that month, 3.02 inches.

The September precipitation brought to 12.86 inches the total fall in the Quad-Cities during the nine months of the year, or 14.19 inches below the nine-month normal of 27.65 inches.

for a total figure of \$20,000,704.

Other bids were received on portions of the work from Dover Construction Co. of Collinsville, G. L. Tarlton Construction Co., St. Louis, H. H. Johnson Construction Co., East St. Louis, B. Potashnick, Cape Girardeau, Mo., KWA Co., Arnold, Mo., C. D. Peters Construction Co., Granite City, Hoefken Brothers Inc., Alton, Barton Noch & Gusewelle Co.

Wilson-Sternberg were lowest in six of the 18 categories. KWA was lowest in another six. Alton & Southern railroad tracks divided St. Louis "A," collector sewers, and "B," interceptor sewers north of the Granite City limits and west of Route 203.

Division Five "A" collector sewers and "B" interceptor sewers, north of the Granite City limits from Route 203 to Alton & Southern railroad tracks, divided St. Louis "A," collector sewers, and "B," interceptor sewers west of Mitchell and north on Route 203.

Division Seven "A" collectors and "B" interceptors were in all of Mitchell; Division Eight "A," collector sewers, and "B," interceptor sewers in all of Pontoon Beach and northwest

## 2nd debate Wednesday

If you didn't like the first 1976 Presidential debate, wait a few days and there will be more, and perhaps better.

The second in the series of debates between the Republican, Gerald Ford, and the Democrat, Jimmy Carter, is scheduled for Wednesday, Oct. 12, at 8:30 p.m. in Philadelphia.

television coverage starting at 8:30 p.m. Wednesday.

It's 90 percent certain that the debate will originate from San Francisco, where the sponsoring League of Women Voters hopes a 27-minute audio disruption at the first debate in Philadelphia can be avoided.

## 'Vote for Kowalski but leave our poles alone'

Enforcement of city ordinances prohibiting the posting of signs of any kind on trees or utility poles will be sought to forestall a flood of political campaign signs in such locations.

Gerald Parmley, an alderman of Granite City's Sixth Ward and chairman of the Granite City Democratic Central Committee, said first offenders will be warned against persons who conduct rummage sales and tree posts and their principal signboards.

"When the politicians come along and see these rummage sale and yard sale signs posted along the roadway on telephone poles and trees, they are going to say to themselves, 'If we can do it, we can do it,'" Parmley commented.

"Then we're going to have a lot of signs in places where they shouldn't be. These are laws and once they are again filling up poles and trees with signs."

"I think if we knock this in the head now by preventing rummage and garage sale signs, then when it's a political issue, there won't be so much trouble with political signs."

The alderman said he will ask authorities to strictly enforce prohibitions against use of trees and poles for signs.

## Weather outlook for this region

## Stevenson urging major committee reorganization

By LESTER BELL  
Press-Record  
Washington Bureau

Sen. Adlai Stevenson's committee last week called for a sweeping reorganization of Senate committees in the 95th Congress.

The Illinois Democrat is chairman of a 12-member task force investigating committees established in March to recommend changes.

The product of six months'

study was announced by Stevenson and Sen. Bill Brock, R-Tenn., co-chairmen of the task force.

The reform plan approved by the committee would reduce the number of Senate committees from 31 to 15, cut the number of a senator's committee and subcommittee assignments from an average of 18 to no more than 10, and consolidate committee jurisdictions for the first time in 30 years.

Such reform has been one of Stevenson's goals since he first came to the Senate in January.

"It is the most sweeping change ever seriously contemplated for the operation of the Senate," Stevenson said.

"The last major reorganization, which was a consolidation of 19th and early 20th Century precedents, and it

has become hopelessly outdated in the past 30 years."

Brock said: "No organization structure can be effective for all purposes for all times, but a workable structure is one that focuses on today's problems and allows enough flexibility to meet them and, at the same time, anticipates tomorrow's problems."

They noted that costs of the legislative branch have increased from \$361 million in 1970 to \$905 million for fiscal year 1977.

The committee plan is not only designed to increase Senate efficiency but to reduce costs as well.

Stevenson and Brock believe the plan will help the Senate develop comprehensive policy on such important issues as energy and the environment, and for the first time consolidate responsibility for such areas as transportation, human resources, science, technology and international economics.

The committee, Stevenson said, "recognizes that some members are not in a position to change the Senate's way of doing things. But the work of every senator suffers daily from the deluge of committee and subcommittee assignments and committee meetings and overlaps in committee jurisdictions."

Stevenson said better organization of the Senate's work will result in greater effectiveness and at least insure that disorganization does not prevent the public's work from getting done."

The select committee also recommended a computerized scheduling system and a revised Senate workload that would concentrate floor debate and provide more time for committee and subcommittee meetings.

# Suspect sought on deviate sex conduct

Granite City police are seeking a man in his late 20s who forced a 26-year-old Granite City woman to view deviate sexual conduct at 7:35 a.m. Friday near the rock and flower gardens of Wilson Park near 27th Street.

The woman said she was walking her dog when she saw a man standing at the end of the gravel walkway exposing himself.

She said she started running away and the man chased her while he was shouting obscenities. She was forced to the ground and he bit his left hand over her mouth.

She said he told her to stop screaming or "I'll really hurt you." The victim then bit the man's hand.

Afterward, the man ran toward 27th Street. He was described as in his late 20s, about 5 feet, 10 inches tall, wearing a tan jacket, tan pants, having dark brown hair just over the ears and combed back and with a three or four-day beard.

He wore tan pants, a white shirt and a tan jacket.

Police prepared a composite drawing of a suspect and have been showing it to persons who frequent the park area in the morning hours.

Anyone who may have been in the vicinity of the crime Friday is being urged to contact Granite City detectives at 876-9027 or the police office at 877-6111 to describe persons and activities seen at about that time.

The woman said she was forced to view deviate sexual conduct. The wanted man is believed to be in his late 20s, about 5 feet, 10 inches tall, wearing a tan jacket, tan pants, having dark brown hair just over the ears and combed back and with a three or four-day beard.

He wore tan pants, a white shirt and a tan jacket.

## B.C. Gitcho to develop resort-type complex

Plans for constructing an 86-acre hotel-motel-business complex on the northwest corner of Route 157 and Interstate 70-55 were announced yesterday by B.C. Gitcho of Arlington Heights, developer of the project.

Gitcho said the multi-million dollar project is in its early planning stages. His basic idea is to construct luxury country-club-type facilities which will give travelers from the east an opportunity to find rooms, relaxation, tennis, shopping and food "before getting home after a long day relaxed and refreshed."

He said the new St. Louis Convention Center is expected to attract more than one million visitors per year to St. Louis and there is a shortage of hotels and motels to serve those visitors.

Contracts now are being negotiated with national firms interested in leasing the proposed hotel, motel, recreation facilities and individual free-standing stores which will be constructed along the proposed Route 157 frontage road.

Most of the financing is being offered by Collinsville sources, Gitcho said. He said that his brother was entered by someone who broke a door window and took a clock-radio valued at \$45 and a 12-inch black and white television set.

## Rail crossing safety program

### \$2,500 loot in burglary of home here

Upon his return home Friday, Anthony E. Michel, 2618 Cleveland Blvd., discovered a rear door had been broken in and a safe containing valuable items worth more than \$2,500 missing from the basement, he reported at 9:25 p.m.

The safe, recovered empty later in an alley in the 2200 block of Missouri Avenue, contained \$500 worth of silver dollars, ingots from Franklin Mint valued at \$800, a silver cashbox and a gold cashbox, all shared of First Granite City National Bank stock, a man's wedding ring valued at \$650, and a stamp collection. Taken also was a diamond ring.

A neighbor reported observing a light-colored station wagon in the alleyway near the Michel home shortly before the burglary was reported.

### Mrs. Lemons, 95, dies

Mrs. Daisy Lemons, 95, of Colonial Haven Nursing Home, ill for a year died at 8:50 a.m. Sunday at St. Elizabeth Hospital where she had been a patient one week.

She was born in Kentucky and died in Granite City 24 years, died in 1944.

Survivors include three daughters, Mrs. Leslie Richardson of California, Mrs. Martha Dorch, Tennessee, Mrs. Ruth (Audrey) and Mrs. Elizabeth Hudson of Granite City; four sons, Felix Lemons of Alton, Howard Lemons of Erin, Tenn., James Lemons of Granite City, and a great-grandson, Dennis, 26; four great-grandchildren, and four great-great-grandchildren.

Arrangements are given in the obituary column.

**Mrs. Clifton dies at 95**

Mrs. Elzora A. Clifton, 95, of 202 Washington Ave., ill for nearly a year died 1:30 a.m. Saturday at St. Elizabeth Hospital.

A native of Orange County, Ind., Mrs. Clifton resided here 20 years.

She was a member of the Pentecostal faith.

Her husband, Charles E. Clifton, died in 1923.

Survivors include two daughters, John (Lorraine) Gaultier of Granite City, and Mrs. Gerald (Nola) Grider of Marion, Ill.; one son, Earl Crisell of Albion, Ill.; grandchildren, great-grandchildren and great-great-grandchildren.

Arrangements are given in the obituary column.

**HOLD PAPER DRIVE**

A paper drive by Hope Lutheran Church, 3715 Wabash Ave., was announced today by the Rev. David Fielding who said proceeds from the drive would go to the church building. Members of the church urged residents to drop off old paper to help conserve resources by recycling.

Alarmed by an increasing number of rail-highway accidents at grade crossings already protected with automatic warning devices, the railroads of Illinois have launched a statewide public education program called "Operation Lifesaver".

Designed to increase driver awareness of the dangers of ignoring crossing warnings, the campaign is part of a cooperative effort by Governor Daniel Walker and the Illinois Statewide Crossing Safety Council to reduce train-vehicle accidents and fatalities in the state.

Despite safety improvements and a 40 percent reduction in crossing accidents since 1966, the latest Illinois Commerce Commission report shows the number of occurrences at

crossings protected by some form of active warning device has increased 32 per cent in the last three years. In 1975, there were 1,000 crossings accidents for two deaths, the state's 704 crossing accidents.

Coupled with tougher enforcement of crossing laws, similar public education campaigns in Mississippi and Georgia helped reduce crossing accidents as much as 65 per cent, a spokesman said.

"Operation Lifesaver," sponsored and based on the "E's" of highway safety: education, engineering and enforcement.

### Charge driver after chase

Ruth Grider, 25, of 2015 Wabash Ave., was charged with reckless driving, failing to yield a driver's license, and fleeing and attempting to elude authorities following an auto chase from West Pontoon Road and Bridgeport Road onto Route 157 on Federal Aid Route 151 at 8:20 p.m. Friday.

A Granite City policeman observed an auto heading west on Pontoon Road with no state plates, he said, and attempted to stop the car.

The driver failed to stop and turned north onto Route 151 at which time the auto's engine stopped running. When the police approached the squad car, the auto, being pursued was restarted and sped away northbound on Route 151.

State police, Madison County sheriff and Granite City police, all of Edwardsville, responded. Granite City police, Madison County sheriff and Granite City police, all of Edwardsville, responded.

President Dave Brooks.

New Optimist officers are

William Monical, President; Jim Seur and Allen Walker, Vice Presidents; John McDowell, Secretary; and treasurer, and Carl Roach, sergeant-at-arms.

Arrangements are given in the obituary column.

**Man arrested for 1974 theft of van**

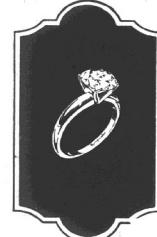

A 26-year-old man who gave a Plainview address, was charged with possession of a van which was stolen on Jan. 8, 1974, from a new car dealer's lot in Houston, Tex.

At 11 p.m. Saturday the man, who was driving southbound on Route 151, Oct. 10, south of the church building. Members of the church urged residents to drop off old paper to help conserve resources by recycling.

Police stopped the van in the 400 block. The van, new when stolen, had 75,000 miles on it.

## Pick 4 for Masonry's top degree

Four members of the Scottish Rite Bodies, Valley of Southern Illinois, were notified Thursday that they will be elevated to the 3rd degree in Pittsburgh in September 1977. Those to be honored are Charles H. Wagner, Belleville; Fred M. Stiley, Kirksville; Fred M. McGuire, Thomas J. Barschak, Edwardsville, and James E. Rains, Dupo.

The notice came from Commander-in-Chief Wynn Rawlings who was in Milwaukee to attend the crowning of four members of the Valley who were nominated last year. They are Dr. Anthony S. St. Belvelier, Jr., West Alton; Clarence V. Tolley, O'Fallon, and Gene Ross of Granite City. The honorary degree highest

in Masonry is given for special efforts by members.

Wagner is secretary to the Scottish Rite Bodies, Valley of Southern Illinois. The office is located at the Cathedral, 1267 N. 57th St., Belleville. He resides on Chouteau Ave. Dr. Wagner's wife, Wagner, has served as potente of Ainaad Temple and has been a member of the Gothic Lodge since 1950 and the Scottish Rite and Shrine since 1953. She served in the Air Force during World War II.

Rains, a traffic supervisor for Monsanto Chemical Co., became a Master Mason in 1954 in the Corinth Lodge, Alton, went through the Scottish Rite and Shrine the same year. He is past thrice potent master, St. Clair Lodge of Perfection, and a past district deputy. He holds the Legion of Honor of DeMolay, and is Sugar Loaf Township clerk.

Stiley, a member of the Illinois State Police, has been a member of the Masonic Lodge at Alton since 1963 and has served as master. He became a Scottish Rite Mason later as well as a noble of the Ainaad Shrine. He served in the Korean war as a member of a U.S. Army combat team.

## Evers would alter policies

In a talk last week to the Pi Upsilon Chapter of Beta Sigma Phi in East Alton, the Representative candidate for state's attorney, Chuck Evers, outlined steps he would employ to "return efficiency to the office."

"My opponent seldom, if ever, personally attends the trials in a felony case," Evers said. "The job pays \$42,500 a year, and the county is not getting its money's worth."

He charged there is constant political influence in the criminal case. "The attorney who finally ends up with the case, doesn't know that much about it, knows nothing of the conductors of the defense, and often has failed to properly notify the witnesses."

Many cases are "plea-bargained away or dismissed because of inadequacy of preparation under the system

presently employed," he alleged.

Evers said he would hire "three full-time, hardworking dedicated attorneys" for what outlined steps he would employ to "return efficiency to the office."

Evers contended that "because of the practices presently employed, morale is low among law enforcement officers."

**Transmission line request**

Applications for construction permits received by the Division of Water Resources, Illinois Department of Transportation, include a request by the Union Electric Co. of St. Louis to authorize crossing the Mississippi River and Chain of Rocks Canal with an electric transmission line in Madison County.

The Illinois Conservation Department also has sought a permit, widen and raise the causeway to Walker's Island at Rockwood Lake in Madison County.

All favoring or opposing the proposals may send written statements to Lee M. Eisel, director at 2300 Dinsen Parkway, Room 329, Springfield 62764 by mid-October.

community is scheduled before departure for home, Brown said.

Transportation and dinner will cost \$9.95 per person. A limit of 90 persons has been set for the trip.

Reservations are now being taken at the Wilson Park office from 9 a.m. until 5 p.m. weekdays. Payment must be made at the time the reservation is taken. Brown advised.

## Jolly 12 marks 56th club year

The 56th anniversary of the Jolly 12 Club was celebrated Thursday with dinner at Restaurant in Colligan's.

Mrs. Kathryn Smithson has served as president of the local social group for the past 17 years. She and Mrs. Pauline Stephens, secretary, arranged the anniversary dinner.

"Cutie" notebooks were at each place setting as favors, and members played cards for the remainder of the afternoon.

Those entering the planning awards were Mrs. Mable Lehne, first; Mrs. Verna Michel, second; Mrs. Ardell Lange of Edwardsville, third; and Mrs. Pauline Canham, consolation.

The club will meet next at the home of Mrs. Stephens, 254 Edwards St.

## GC girl is semi-finalist for Miss Teenage America

A Granite City girl is one of 150 young women chosen from 12,000 nationwide applicants as a semi-finalist in the Miss Teenage America 1976 Candidate-At-Large competition.

Miss Pamela Jean Tester, 16, a daughter of Mr. and Mrs. Joel Tester, 4028 Vesel Ave., was selected in a national committee in Dallas, Tex., due to her first runnerup place in this year's Miss Madison County Fair Pageant and her academic achievements as a student at Granite City High School North. Thirty-four of the 150 young women will be named finalists on the basis of those scoring highest in tests now being given under the supervision of their high school principals.

The finalists will then be divided equally into five regional areas from which a national candidate-at-large selection committee will name one candidate from each region to compete in the Miss Teenage America Pageant, to be held Nov. 19 in Tulsa, Okla.

Competition for a candidate-at-large selection was eliminated by the national committee to allow young women residing in areas where a preliminary pageant is not conducted to be able to enter the national pageant.

The five regional representatives selected will join other young women in the national pageant who have won local and state preliminary contests.

Miss Tester's qualifications as a candidate include a 4.7 grade average out of a possible 5.0 and being among the top three per cent of her junior class at North High. She participates in the school's Silver Spur and Service clubs and serves as a cheerleader for the varsity football team.

Her community activities includes working with the underprivileged through the Nameoki United Methodist

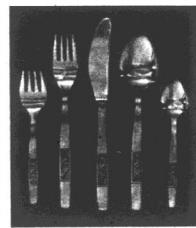

**APPEALING SMILE** and poise are only two words to describe Miss Pamela Jean Tester of Granite City, whose scholastic achievements at Granite City High School North and first runnerup position in the Miss Madison County Fair pageant gained her a semi-finalist spot from among 12,000 applicants in the Miss Teenage America 1976 Candidate-At-Large contest.

Church of which she is a member. Gilbert Walmsley, GCHS North principal, will administer the test to Miss Tester as prepared by the World Book Encyclopedia, which involves knowledge of the world, subjects and current events.

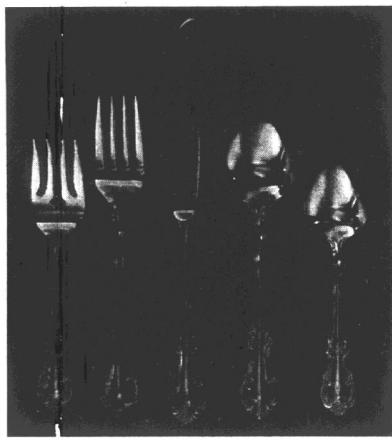

If selected as a finalist, Miss Tester will perform a modern dance routine during the talent portion of the Miss Teenage America pageant, which will be televised Nov. 27, following the actual pageant.

## Seek to override selective veto of university budget

A resolution supporting Acting President Andrew J. Kochman of Southern Illinois University at Edwardsville in efforts to overturn a legislative override of the governor's selective veto of the SIU budget for the 1976-77 fiscal year was approved Thursday by the

SIUE University Senate.

The General Assembly has announced plans to reconvene Nov. 17 to consider Gov. Daniel Walker's vetoes and approve or reduce them.

The governor reduced appropriations for higher education operations and grants

by approximately \$24.1 million and appropriations for higher education capital improvements by approximately \$53.3 million.

Dr. Kochman informed the SIUE Board of Trustees in September that he has appointed a committee at the local university to consider legislative override of the governor's budget vetoes for the

SIU system.

A report on the committee's activities will be submitted to the Board of Trustees Oct. 14.

The Illinois Board of Higher

Education and the president of the University of Illinois are among other groups and individuals going on record as favoring legislative override of the vetoes as they pertain to the university.

The resolution approved Thursday by the SIUE

Senate relates in part that "for the past several years, SIUE has been

overextended in its funding for the university to fulfill its responsibilities to the people of the state."

"The major burden of insufficient funding has been borne by the faculty and staff of the university and has resulted in an utterly unjustified and very substantial deterioration in their standards of living."

resulted in the continuous and accelerating deterioration of the quality of the working environment for faculty, staff and students alike.

This deterioration now substantially impairs the long-term ability of the university to fulfill its responsibilities to the people of the state.

"The resolution approved Thursday by the SIUE

Senate relates in part that "for the past several years, SIUE has been

overextended in its funding for the university to fulfill its responsibilities to the people of the state."

## 2nd winemaking class

A workshop in winemaking offered Saturday proved successful it will be offered again beginning Oct. 21.

Bonnie Little, coordinator of Conferences and Institutes at the university, said the four-week course will meet Thursdays from 7 until 9 p.m.

The initial class meeting will be held in the basement of the Pick Classroom Building. The three other sessions will be held off-campus at a location to be announced later.

Registration is \$10. Instructor for the course is Al Felchka, supervisor of building maintenance.

Topics will include grape culture and winemaking. Winemaking will include basic instruction in the making of red and white wine, equipment necessary for the process, secondary fermentation, aging and finishing the wine.

During the three off-campus sessions, students will be given the full winemaking process, blending procedures and testing the wines for acid, alcohol, bouquet and aroma. Students will also visit a vineyard, learning about the growing process of grapes.

## Instruction on care of house plants

Sick seedlings, failing ferns and sickly cast-iron will get a second chance due to a short course for plant lovers. Plant Care, a four-week course on the care and feeding of house plants, is being offered by the SIEU Office of Conferences and Institutes Oct. 19 through Nov. 9.

The course will include identification of plants, selection of types for specific locations, common plant ailments and recommended solutions. Discussion of individual house plant problems will be encouraged.

Class

meets Tuesday evenings from 7 to 9:30 p.m. in the Science Laboratory Building, Room 2224, at SIEU. Registration is \$6.

To register, Quad-Cityans may send name, Social Security number and address to: Office of Conferences and Institutes, Box 26, Southern Illinois University Edwardsville 62026. Checks are made payable to SIEU. More information is available at 692-2600.

## Appeals board recommends use permits

The Madison County Board of Appeals has recommended that the Madison County Board approve special use permits for Northgate H. S. Substation to construct a residence and storage buildings and to raise fish on property facing Route 151 behind the A.D. Smith Corp. plant.

The property is in an M-2 general manufacturing district in Nameoki and Venice townships.

The board also recommended approval of permits to David and Linda Gregory to place a mobile home at 124 Central Lane, and to Lillian Gregory to place a mobile home at 124 Voight Place, Mitchell.

The Cavar permit is recommended to place the stipulations it is granted for to five years and for the sole occupancy of the Cavar family.

The request from Lillian Gregory is recommended with the stipulation it be granted for her lifetime and her sole occupancy and that variances in side and rear lot lines be granted.

or more persons received injuries—an increase of 29 such accidents over the total of 45 reported during the same month a year ago, or an increase of 64 per cent.

Ninety-eight persons were injured in the September accidents, up 32 over the injury cases of September 1970. This is an increase this year of 48.4 per cent.

Oddly enough, records show that traffic mishaps in September compare favorably with those of August when there also were 97 injury cases, 98 persons injured and two persons hurt fatally.

Traffic fatalities entered in Quad-City area statistics include deaths of persons killed in accidents occurring within the area, and local residents who are killed or injured fatally in accidents in other locations.

September accidents lost—including two deaths—brought to 18 the total number of persons who died in traffic accidents during the nine months of the year.

More than the 23 who died in accidents during the same period last year, or a decline of 21.7 per cent.

The Quad-City area began the year with no traffic fatalities reported in January, February or March. While a total of five deaths was reported during that three-month period of the previous year.

The area came up and passed the yearly total of 18 this time with six fatalities occurring in April. In subsequent months this year, there were one death in May, two in June, five in July, two in August and two in July, for a total of 18 deaths so far this year.

**FIRE DAMAGES 100**

An estimated \$100 damage to an auto belonging to S. Norton, 2901 Roosevelt Ave., was caused at 12:30 a.m. Saturday when the car's carburetor backed fire, starting a blaze while the auto was in the St. Elizabeth Hospital parking lot. Firemen were there 15 minutes.

blond to light brown hair, wearing an old blue jean jacket with a tear on the right arm from the wrist to the elbow, and attitude.

A youth matching that description was also seen in the Clark Service Station, Nameoki Road and Washington Avenue, about 5 a.m. Friday. It was alleged the youth had stolen a new pipe by hiding it in his boot. When an employee yelled at him, the youth removed the pipe from his boot, returned it to the rack and left.

**Charge 2 in beating case**

Donald K. Dummit, 20, of 30 Iris Court, Pontoon Beach, and Greg Tomlinson, 19, of 2116 Miracle Ave., were arrested as their auto was leaving the Clark Service Station at Nameoki Road and Washington Avenue at 12:30 a.m. today after two men at the service station were beaten.

Brett Milton And Pat Ouchowski said they were stopped and one man began beating Milton. Ouchowski intervened and also was struck as a second assailant entered the fight, which was reported.

Ronnie L. Smith, police officer who arrived as the white car was leaving the station. It was stopped on Nameoki Road and the occupants were arrested.

Dummit was charged with two counts of battery and Tomlinson was charged with one count of battery.

**Motorist, cyclist hurt in accident**

A motorcycle and a driver were injured when their vehicles collided on Missouri Avenue West 1st Street at 8 a.m. Sunday.

Ronnie L. Smith, 34, Alton, driver of the motorcycle, was taken by ambulance to St. Elizabeth Hospital where he was admitted with a cut to his left lower leg and a injury to his right foot. A series of x-rays was taken.

The driver of the car, Laura Loveless, 20, Cahokia, was treated at the hospital for cuts to her lower back. X-rays of her spine were taken and she was released.

**Flower giveaway Thursday at park**

The Granite City Park District will hold its annual flower give-away project at 9 a.m. Thursday at Wilson Park.

Cutting from different plants which grew in the gardens will be given away free and distributed by the park gardeners.

Persons wishing to obtain cutting may be asked to provide their own containers. There will be no rose cuttings at this time, a park official said.

At 9 a.m. Saturday, the park district will sponsor its distribution of free goldfish from the park ponds.

## Pictorial tour for Travelers Abroad

An illustrated tour through France, reaching from Normandy to Monaco, was presented last week by Mr. and Mrs. Alfred C. Stoever for members of Travelers Abroad at Prairie Avenue High School. The couple was introduced by Edmund Finner.

"A boat on the Seine River and the top balcony of the Eiffel

Tower are the best places from which to photograph the glories of Paris," Mrs. Stoever informed the group.

"The Seine curves in a long arc through Paris from east to west for seven miles and from an excursion boat one can see all the great monuments of a beauty-loving civilization,"

Mrs. Stoever said. Notre Dame Cathedral is seen best from such a boat, she added.

For a panorama of the entire city, one must ascend the 844-foot Eiffel Tower, Mrs. Stoever said. Here, the Stoevers, by moving clockwise around the top platform, photographed the entire city from the Ecole Militaire, past the golden domes and steeples of old Paris and the Arch of Triumph, to the Hotel des Invalides, where "Napoleon sleeps soundly in his grave," Mrs. Stoever explained.

At the Arch of Triumph, the symbol of Paris, 12 avenues converge and the traffic is frightening to the tourist, Mrs. Stoever said. The continuous stream of automobiles, trucks, motorcycles and other vehicles travel at least 30 mph and there are no traffic signal lights, she noted. During 30 minutes of watching the dizzying spectacle however, the couple failed to see a single traffic mishap, they said.

In Normandy, the maritime province sprawling over France's northwestern seas, the Stoevers visited historic Rouen, the final abode of Joan of Arc, and Caen, the city of spires. Bayeux also was visited where the world famous embroidery school 225 feet long and 20 inches wide is believed to have been made by Queen Matilde in 1077, depicting in 58 scenes the battles in England won by her husband, William the Conqueror.

Near Caen, the Stoevers saw the World War II invasion area, still visited by thousands of U.S. and Canadian servicemen, accompanied by their wives and children, to pay tribute to the recount of the 1944 battles which began the liberation of France.

The Stoevers also visited the remains of an artificial port built by the British to make the landing of materials possible in 1944, near Arromanches; the Omaha and Utah landing beaches; and the American Cemetery at St. Landerneau.

On the sunsoaked coastline of Brittany, the Granite City couple saw the 3,000-odd prehistoric megaliths (stone monuments) at Carnac. Few English-speaking tourists travel in the area and the Stoevers found a great language barrier.

"Therefore, it is resolved that I Paul Schuler do hereby proclaim the week of Oct. 3 through Oct. 9, 1976, to be Respect Life Week in Granite City. All residents are urged to prayerfully consider the need for increased Respect for Life at all stages."

Native Britons speak in the accents of Breton dialect which resembles neither French nor English, but is akin to Welsh. A few senior residents of Granite City still speak the same dialect, the Stoevers noted.

In the Loire Valley, the couple visited chateaus, hunting lodges and many churches. The tour concluded with a visit to Montsoreau and a glimpse of the home of Prince Ranier and Princess Grace (Kelly) at Monte Carlo.

Guests at the meeting were Mr. and Mrs. Douglas Little and Mr. and Mrs. James Talley.

**RESPECT LIFE WEEK** parade route is reviewed Thursday by Mayor Paul Schuler and Right to Life leaders, Mrs. Teresa Alexander, left, and Mrs. Mary Jane Bess. The local chapter will sponsor the parade, starting at 10 a.m. Saturday from the South High School parking area, south along Madison Avenue to 20th Street. This week has been designated "Respect Life Week" in Illinois.

## Respect Life parade

Mrs. Debra Magary, president of the Granite City Chapter of Right to Life, announced today a parade is planned Saturday in observance of "Respect Life Week" in Illinois.

A proclamation declaring this week "Respect Life Week" in Granite City was signed Thursday by Mayor Paul Schuler. The Illinois Legislature has designated Oct. 3 through Oct. 9, 1976, for the observance. House Joint Resolution 102.

Mrs. Magary said the parade will commence at 10 a.m. Saturday from the parking area at Granite City High School and proceed south along Madison Avenue to 20th and Iowa streets.

Permission for the march was granted after last week's council meeting.

About 100 persons are expected to join the parade with representatives from Belleville and Highland groups participating, according to Mrs. Teresa Alexander and Mrs. Mary Jane Bess, local chapter leaders.

The proclamation issued Tuesday reads in part:

"Whereas: Respect for Life is the core of all civilization and is the only foundation upon which

an orderly society can be built;

"Whereas: The Illinois Federation for Right to Life, the Belleville Pro-Life Committee, the Belleville Right to Life People, United to Save People, the Salvation Army and the Southern Illinoisans for Life are setting the week of Oct. 3 through Oct. 9, to call upon all people during this time to prayerfully consider the sanctity of life and the responsibility of procreation we are entrusted with by Divine Providence, and to consider with open mindedness and truth-seeking what our responsibility is to the unborn child; and the morally retarded, the physically handicapped and the aged;

"Therefore, it is resolved that I Paul Schuler do hereby proclaim the week of Oct. 3 through Oct. 9, 1976, to be Respect Life Week in Granite City. All residents are urged to prayerfully consider the need for increased Respect for Life at all stages."

## Friendly Agers to visit gardens

Plans for a tour of Shaw's Gardens in St. Louis were announced at last week's meeting of the Friendly Agers, who met in the Second Baptist Church dining room.

Mr. Mina Duggins,

president, was in charge of the business session, and the Rev.

B. E. Dutton gave the Bible study program.

Plans were made concerning Charity Days' participation and a recent trip to pick apples at Eckert's Orchard. The Shaw's Garden tour is set for Tuesday, Oct. 18.

Members were served a potluck dinner and a luncheon dish was sent to a shut-in person.

Among those attending were the Rev. and Mrs. Dutton, Mr. and Mrs. Harold Garin, Mr. and Mrs. John Cavins, Mr. and Mrs. Odell Miller, Mr. and Mrs. Rosemary Wilson, Virginia Taylor, Mamie Stroud, Dorothy Barnes, Norma Rains, Ruby Redman, Florence Paul, Lena Harris, Lena Stephens, Lena

Bonniar, Evelyn Smith, Naomi Burnett, Gladys Hudgens, Ruby Mayberry, Donald Mayberry, Betty Lewis, Howard Wigger and granddaughter, Mrs. Fern SanSoucie, a guest.

## Rally for tie

The women's field hockey team of Southern Illinois University at Edwardsville battled to a 2-2 tie with the Greenville College Panthers last week in a contest marking the opening of the Cougars' regular season.

SIEU took an early lead with 10 seconds remaining in the first period as left wing Cherry Sharp of Granite City scored. "Someone hit the ball at the goalie; it hit her pads. She tried to kick it out, and then I just put it in," said the senior winger explained.

Greenville controlled the second period of play when, five minutes into the half, left inner Lola Vaughn got the ball past Cougar goalie Sharron Frye. Less than two minutes later Greenville's right inner, Kathy Edwards, put the Panthers in front.

With two minutes remaining in the game, SIEU freshman center forward Brenda Schrage scored, assisted by Cherry Sharp's centering pass.

## Warriors' golf team wins by 22 strokes

GCHS South golfers defeated visiting Cahokia Thursday afternoon, 172-194. Benny Brown scored a 41, Bob Fife a 42, Jim Cedar 43 and Herman Schroeder 46. Cahokia's John Talbert matched Brown's 41.

## South wins homecoming game, 21-20

Living up to its tradition of thrilling contests, GCHS South broke into the winner's circle for the first time this season after three losses, nipping visiting Cahokia Friday night 21-20.

The game produced excitement and then joy to help highlight the school's homecoming activities.

The contest produced many heroes, including Quarterback Keith Chapman and defender Dan Manoogian. Both players stopped Comanche extra-point attempts near South's goal line to preserve the win with only seconds remaining.

Cahokia led 7-0 after the first quarter and it was 14-14 after the second and third periods.

Heading the offensive attack for the Warriors was Junior Cliff Moran, who had been sidelined with a leg injury suffered in South's season opener against St. Louis Desmet.

Moran had 25 yards rushing against Desmet, and in Friday's contest, ran 10 yards on 23 carries and all of South's touchdowns.

Champion provided the extra points kicks. Moran was also the top pass receiver, catching one for 18 yards from Champion.

Cahokia got on the scoreboard first with 5:48 left in the first period when Eddie Eagles received a Warrior fumble at South's 34 and two plays later scored on a 23-yard run by Wayne Demetruis.

Champion provided the extra points kicks. Moran was also the top pass receiver, catching one for 18 yards from Champion.

Cahokia got on the scoreboard first with 5:48 left in the first period when Eddie Eagles received a Warrior fumble at South's 34 and two plays later scored on a 23-yard run by Wayne Demetruis.

Taking the ensuing kickoff at the 10, Mike Clark ran the ball to the 27, from where he started a 75-yard ground march that ended successfully with 11:17 left in the second period. Quarterback Champion hit Moran in the end zone with a pass and the game was deadlocked at 7-7.

Two plays after the Comanches returned South's kickoff to Cahokia's 48, Quarterback Dave Hagenbrock rambled 52 yards and then kicked the extra point, his

second, for a 14-7 Comanche lead with 10:44 left.

South matched the TD a minute later after the next kickoff. Four 75-yard ground gains

South's 44 on carries by Bob Rongey and Jay Huehner, Moran took a delayed handoff and charged through the middle of the line, going 56 yards for the score.

Champion's kick again tied the contest, this time at 14-14.

The score remained tied until the final period, when the Warriors capped an 84-yard drive with a 10:54 TD with 10:54 remaining in the game. The touchdown came on a 64-yard run down the left side by Moran as South displayed explosive scoring ability and "big play" potential.

It wasn't until 41 seconds

remained on the clock that

the Comanches took the lead.

After holding South on downs, and forcing a punt, Cahokia passed 24 yards to South's 20 and then moved to the 10 on another aerial. Quarterback Hagenbrock then hit Dennis Eaves with a pass and Eaves zoned inside to score 21-20.

The Comanches then faced the decision of seeking a tie on a one-point placement kick or

adding machine boasts. "We will bury Comanches with our score."

(Press-Record Photo)

Hagenbrock lined the punt after a kick attempt, carried the ball around right end for a two-point try and was met at the five-yard line by Dan Manoogian.

A major holding penalty nullified the play, and Cahokia tried again from the one-yard line. An end zone pass was deflected by Champion to preserve the win.

# Warriors defeat soccer Steelers

Coach Gene Baker's Warrior soccer team claimed its eighth victory of the season Saturday afternoon at GCHS South, defeating cross-town rival GCHS North 2-0 as an estimated 1,000 persons viewed the contest.

Baker called it a well-played contest in which both goals were deservedly earned.

"The two scores were not the result of any miscreations or goalie mistakes," he noted.

"And the offensive was complemented by outstanding defensive plays by Greg Phelps and Joe Thorne."

The coach also praised Steeler Goalkeeper Mike Hill, who early in the first quarter made a leaping stop of a ball headed straight at the net by South's Greg Feigl.

Feigl saw limited action in the contest due to an ankle injury received prior to the game.

"We only put Feigl into the

contest to attempt corner kicks and to head scoring attempts," said Baker.

Coach Robert Kohoe's Steeler offensive attack was spearheaded by Steve Szles, who power-kicked two free shots at South's goalie Barry Britt. Britt deflected the ball away each time.

North's Bob Batey tearly put the Steelers on the scoreboard in the early going.

"Batey was at midfield with the ball and was away from two South defenders and attempted a shot from near the penalty area," Kohoe commented.

"He was being pressured by the defense. He just couldn't get a solid hit on the ball, and Briggs made the save."

South went ahead 1-0 with 5:09 left in the second quarter when Mark Goldschmidt broke loose from defenders at midfield and made the save."

South went ahead 1-0 with 5:09 left in the second quarter when Mark Goldschmidt broke loose from defenders at midfield and

scored the ball toward the Steeler goal.

Goldschmidt executed a ground kick from 35 yards out. It stayed on the ground and entered the left side of the goal where Goalkeeper Hill's vision was obstructed by other players.

Mark Spiroff provided the final score with 16:59 left in the fourth period after receiving a pass from Rick Fernandez just outside the penalty area.

Spiroff took the ball with his back to North's net, and allowed the ball to drop off his chest and onto the ground. He then spun around to send it sailing high in the air before it hit the ball and Briggs made the save.

Overall, South attempted 22 shots on North's goal, had 10 cornerkicks and committed 24 fouls.

Briggs was credited with personally stopping five Steeler

## Unbeaten North's 4th victory a 7-0 win over strong Roxana

Coch Tom Wyrstek's GCCHS North Steelers gained their fourth straight gridiron victory Friday night against Roxana as Senior Fred Clay continued his role as North's "bread and butter" ground-gainer.

Clay scored the game's only touch down on a 39-yard run with 52 seconds remaining in the first quarter.

Clay, a week ago, was instrumental in North's 49-14 win over Wood River, gaining 237 yards rushing and totaling four touchdowns.

North stuck to its ground play through most of the contest, completing two passes in seven attempts for 31 yards.

The Steeler running attack netted North 262 yards, in-

cluding 162 gained by Clay on 19 carries. Roxana was held to 149 yards rushing and 80 yards in the air on four completions in 10 attempts by Quarterback Bill Vinyard.

Steeler signal-caller Greg Corey attempted to put North on the scoreboard with his foot but was stopped on a gametime marker. From there, Vinyard dashed into the end zone but an offensive holding penalty nullified the apparent TD and moved the ball to North's 17.

Another 15-yard penalty on the next play led to a fumble on which failed to find its mark.

The Steelers threatened to

score a second time with 7:40 left in the third period.

After holding Roxana on downs, North took a punt at its 39 and then gained a yard on Corey's keeper before Clay broke down the left sideline 40 yards to the 10.

Sheman carried to the five, and a run into the end zone resulted in a fumble recovered by the Shells for a touchdown.

Roxana posed a scoring threat early in the first period, after gaining 12 yards from its own 32. Vinyard released an aerial which hit the hands of the intended receiver in North's end zone but then fell incomplete.

North earned its first defeat of the season to Roxana's eight.

Roxana was held in its own territory following loss of 80 yards due to tackle; by Steve

Hartline and Bruce Wright, forcing a punt to North's 32.

Clay picked up 54 yards rushing in North's series of downs, which ended with the TD.

Corey's extra-point placement kick found its mark, capping the 67-yard drive.

Roxana took the ensuing kickoff at the Shells' 28, and Sheman gained a 20-yard marker. From there, Vinyard dashed into the end zone but an offensive holding penalty nullified the apparent TD and moved the ball to North's 17.

Another 15-yard penalty on the next play led to a fumble on which failed to find its mark.

The Steelers threatened to

score a second time with 7:40 left in the third period.

After holding Roxana on downs, North took a punt at its 39 and then gained a yard on Corey's keeper before Clay broke down the left sideline 40 yards to the 10.

Sheman carried to the five, and a run into the end zone resulted in a fumble recovered by the Shells for a touchdown.

Roxana posed a scoring threat early in the first period, after gaining 12 yards from its own 32. Vinyard released an aerial which hit the hands of the intended receiver in North's end zone but then fell incomplete.

North earned its first defeat of the season to Roxana's eight.

Roxana was held in its own territory following loss of 80 yards due to tackle; by Steve

## 7,000 see 68 cars; Walton captures 75-lap main event

More than 7,000 racing fans poured into the stands at Tri-City Speedway on Saturday night to witness the second annual Gateway Classic, a 75-lap main event for late model stock cars on the half-mile oval.

### South girls 6th in net tourney

The GCCHS South girls' tennis team placed sixth Saturday in an eight-team invitational meet hosted by victorious Belleville East.

South's doubles team of Laura Gabriel and Debbie Darrow was the only South entry to advance past first-round action. The two won 6-1, 6-3 and then lost 4-6, 6-4.

Theresa Hayes lost 6-0, 6-0 to eventual champion Kim Thompson.

Melody Roseman and Tammy DePete were eliminated from further double competition after losing 4-6, 6-7 in the opening round. Linda Wyatt and Peggy Wells of Collinsville took top doubles honors.

Sixty-eight cars from throughout the Midwest were on hand for the program, consisting of pre-qualifying time trials, three 20-arc heat races, a track walk and then the feature in which 40 drivers were presented to the victor.

During qualifying runs, Jim O'Connor of Kankakee, Ill., toured the oval in 59.29 seconds, snapping the previous record of 22.79 set three years ago by Earl Aston's Bill Myers.

Defending Tri-City champion Bill Martin of Arnold, Mo., was the second fastest qualifier in 25.80.

Wallace and O'Connor set side-by-side on the front row of the 30-car field for the start of the 75-lap race.

Wallace entered the lead after 10 laps of racing and led the event for eight laps before crashing into a retaining wall and being forced into the pits with a broken tie rod.

He was returned to competition and finished 21st.

Edison's Jim O'Connor was forced out with a blown engine late in the event.

Ken Walton of Cedar Rapids, Ia., took the lead on lap 35 and

was never headed all the way to the checkered flag. He also won the eighth-lap trophy dash.

Steve Keppler of Jonesboro, Ark., finished second in the race, followed by Dickie Packwood, Ia., was third, Ken Essary of Galena, Mo., fourth and Mike Dibben of Kansas City, Mo., fifth.

Heat race victors were: Tom Hartline of Waterloo, Ia., Essary and Johnny Prior of Centralia.

Last year's feature race winner, Ed Massie of Arcola, Ill., placed third in a heat race but failed to finish among the top ten in the 75-lap race.

Heard, Piechocinski ran five yards on a keeper but a 15-yard penalty put Madison on the line.

The Eagles limited the Trojan air and ground game to 80 yards rushing and 60 yards passing. Madison was 9-0 for the season.

The hosts scored in each quarter of play, leading 6-0, 12-0 and 14-0 after the first three periods.

On the final play from scrimmage, a Trojan pass was pulled in by Columbia's David

3:05 remaining in that quarter.

North attempted 14 shots-on-goal compared to Jacksonville's three. The visitors committed the most fouls.

North had the edge in cornerkicks, 4-0. Goalie Mike Hill stopped two Jacksonville shots from scoring.

Eric Painter took a pass from Thornburg with 16:29 remaining to start the second-quarter scoring.

With 13:40 left, Bob Batey, assisted by Painter, added to the score. And with 4:42 left, Thornburg scored unassisted.

Painter assisted Marty Dooley in scoring with 10:49 left in the third period. Thornburg again scored unassisted with 6:38 remaining in the half, setting up a 61-yard TD drive that utilized more than five minutes.

After his team moved to Madison's four, Martin ran around right end for six points.

Attempts to increase the score with an extra-point kick

were nullified by penalties.

Painter took a corner kick from teammate Mike Marler at the mouth of North's goal and headed the ball into the net.

## Scott running on his active record as attorney general; Partee cites his government experience

State Senator Cecil A. Partee, 55, 26th Illinois Legislative District, won over competition in the March primary election to become the Democratic nominee Nov. 2 for state attorney general.

Sen. Partee was selected by his Democratic colleagues at a Dec. 10, 1975, caucus to be president of the Senate for the 79th Session of the General Assembly, 1975-77.

His caucus nomination marked the third consecutive time he has been chosen by his party to be their chief spokesman in the upper legislative chamber.

After earning his spurs as a "pacemaker" for his party in the legislature, Partee was selected in 1971 to be Senate president pro tempore and leader. He thus became the first black in the U.S. to head a state legislative chamber since Reconstruction.

Democrats lost the Senate to Republicans two years later and Partee once again was selected by members of his party to be their leader, this time in the role of Senate minority leader.

With a Democratic majority in 1975, Partee again was named majority leader.

Initially serving one term, he was to become Senate president—another historic first for blacks in this nation. Running unopposed in the 1972 general election, Sen. Partee was reelected from Chicago's 26th Illinois Legislative District. He began in January 1976 his 20th year in the General Assembly, having served 10 years in the House and 10 in the Senate.

Besides becoming the first modern-day black state legislative leader, Partee also was the first black in modern history to serve as chief executive of a state on four separate occasions.

Until a Constitutional change was implemented in 1972, the pro tempore assumed the role of acting governor when both the Senate and the lieutenant governor were not of the same party.

Partee was acting governor on four separate occasions.

After his elevation to the pro tempore operation of the Senate was streamlined and put on a more businesslike basis, he believes.

"Committees were functionally consolidated and made more accountable," he says.

There was an increase in professional staffing, and day-to-day administration of the Senate was upgraded and modernized. Additional reform has been initiated during my present term as president."

CECIL A. PARTEE

Born in Blytheville, Ark., on April 10, 1921, Sen. Partee was educated in Blytheville public schools and received a bachelor's degree in business administration at Tennessee State University, Murfreesboro.

He graduated cum laude, was elected president of his senior class and edited the school paper.

He went on to earn a law degree at the University of North Carolina, Chapel Hill, and later distinguished himself as a trial lawyer while serving as an assistant state's attorney of Cook County," associates recall.

During his tenure in the General Assembly, he has received various awards and honors, including "most outstanding freshman senator" in 1967 and "most effective senator" in 1971—both awards bestowed by well known "good government" groups in the state.

The legislation is considered one of the most important legislative achievements in state government. Partee held the post two years.

Recently on a tour of Israel and the Holy Land, he was made an honorary member of the Knesset (Israeli parliament).

In the campaign for attorney general, Sen. Partee has campaigned extensively in Downstate Illinois and has cited his record as Senate president.

He has voiced dissatisfaction with the incumbent attorney general's performance, and has pledged that he would initiate legal action to thwart Granite

City fund-raising activity alleged to involve misrepresentation.

He has filed numerous suits against individuals and firms and has recovered large sums for local-level governmental agencies as well as for special financial accounts that were set up to use for varied constructive purposes.

A graduate of the Chicago-Kent College of Law in 1950, Scott views himself as "the lawyer for all the people of Illinois."

His record in opposing swindles, monopoly conditions, price gouging, health and environmental pollution has been called the best of any top state legal officer anywhere in the U.S. since the nation was founded.

He is campaigning for re-election for the ninth year in office.

Still relatively young, at 49, despite his long governmental experience, Scott had no opposition in this year's Republican primary balloting.

Scott served as state treasurer from 1962 to 1966, and won four-term years as state attorney general in 1968 and 1972.

Democratic National Committee.

He was among six Illinoisans—three men and three women-elected to the national party organization and he was a key spokesman for Illinois Democrats at the 1974 mid-term convention in Atlanta.

In July 1974, Partee was elected chairman of the Illinois Economic and Fiscal Commission, a bipartisan panel of economists and economists from the major task of estimating the state's revenue each year and issuing an economic forecast for Illinois.

WILLIAM J. SCOTT

In many respects, he is regarded as the titular head of the Republican party in Illinois, although still somewhat of a rival of U.S. Senator Charles H. Percy.

His past confrontation bruised both. Each sought the 1964 gubernatorial nomination, with Scott losing a close primary race.

Although he won in the primary, Percy ran the campaign of his life, defeating Otto Kerner, who gained a second four-year term in the executive mansion.

In 1966, Percy succeeded in successfully running for the U.S. Senate.

In the 1972 Republican landslide, Scott received the largest vote total, 2,285,096, compared to 1,965,000.

He won all 102 counties while Scott prevailed in 88 of 102 that they simultaneously won their Senate and attorney general races.

Basically, a middle-of-the-road politician, Scott has closer ties to the conservative GOP wing than does Sen. Percy.

But Scott has gained extensive moderate and liberal acclaim for his active role as attorney general.

During Scott's tenure, he has broadened the interpretation of the attorney general's responsibilities and has sought to provide legal support for the "underdog," including state legal action to thwart Granite

City fund-raising activity alleged to involve misrepresentation.

He has filed numerous suits against individuals and firms and has recovered large sums for local-level governmental agencies as well as for special financial accounts that were set up to use for varied constructive purposes.

Scott served as state treasurer from 1962 to 1966, and won four-term years as state attorney general in 1968 and 1972.

During the four years he served as state treasurer, Scott initiated new investment policies for idle funds which resulted in record earnings.

For the first time in history, he used the deposit of idle funds to aid the economy in disaster areas.

Scott served as a member of the Judges Retirement System and the Illinois Public Administration Commission as well as the toll highway Commission and the Illinois Building Authority.

As the only Republican member of the State Electoral Board, in 1965, he won a series of major legal decisions in both the Illinois and U.S. Supreme Courts which resulted in successful challenges to the state legislature.

He has been one of the most active state attorney generals in U.S. history, taking particularly strong stands on behalf of consumers and the protection of environmental pollution.

Scott is a veteran of the Navy Air Corps, has served as an elder of the Presbyterian Church, a graduate of McHenry College in Jacksonville, and chairman of the Evanston March of Dimes.

He is a member of the Illinois and U.S. bar associations and has been active in the Illinois Bankers Association and Illinois Chamber of Commerce.

He received the Academy's golden plate award at its Salute to Excellence ceremonies in Chicago.

Sen. Partee practices law in Chicago, is engaged in the manufacturing of jewelry and is a member of the Chicago Zonta Club.

He is a member of the governing board of the Council of State Government.

Partee and his wife, Paris, have two daughters, Paris and Cecilia.

Another "first" for him occurred on Aug. 5, 1972, when the Illinois Democratic Caucus chose him to represent Illinois on the Democratic National Committee, a post he held three years.

The senator was the first black in Illinois to serve on the state's delegation to the

## Two from here at academy

Two students from Granite City are among over 300 cadets registered for the 1976-77 school year at Missouri Military Academy, the highest enrollment at the academy since 1969.

Missouri Military Academy has been rated as an honor ROTC unit for 47 consecutive years by the Department of the Army.

The increased enrollment at the academy this year has resulted in an expansion of curriculum, offerings and faculty to maintain the school's ratio of eight students to every one faculty member.

In addition, the school has complete refurbishing of "D" Barracks and purchase of new equipment for cadet use.

The academy offers a comprehensive preparatory curriculum leading to a high school diploma. An average of 90 per cent of MMA alumni enter college.

MMA, which operates a separate Junior School for boys in fourth through eighth grades, also provides athletic and extra-curricular programs designed to develop character and leadership qualities.

Cadet Frank Draganić, son of Mr. and Mrs. Frank J. Draganić, 2713 Grand Ave., and Cadet Darryl Toussaint, son of Dr. and Mrs. Harold E. Toussaint, 117 Belmont Drive, are enrolled in the 11th grade.

THE SCHERMER BULLETIN

Welcome folks, the news of Schermer's Pontoon fell on a lot of welcome ears. We've been getting a lot of comments from all kinds of people, customers, potential customers, and just interested people.

We really appreciate hearing your opinions, because if this store is going to be "your" store, we need to know just what it takes to please you.

If you have any information which you think Schermer's should have regarding the Pontoon store, please let us know. Even a phone call will do. There are plenty of Schermers here to talk to: Leo, Avery, Herman, Bill, David, and Gail.

So far we've heard a lot about the "bad" things that occurred at that store. Surely they did something right. If they did, let us know and we'll try to do the same "right" thing.

## Drivers hurt in two-car crash

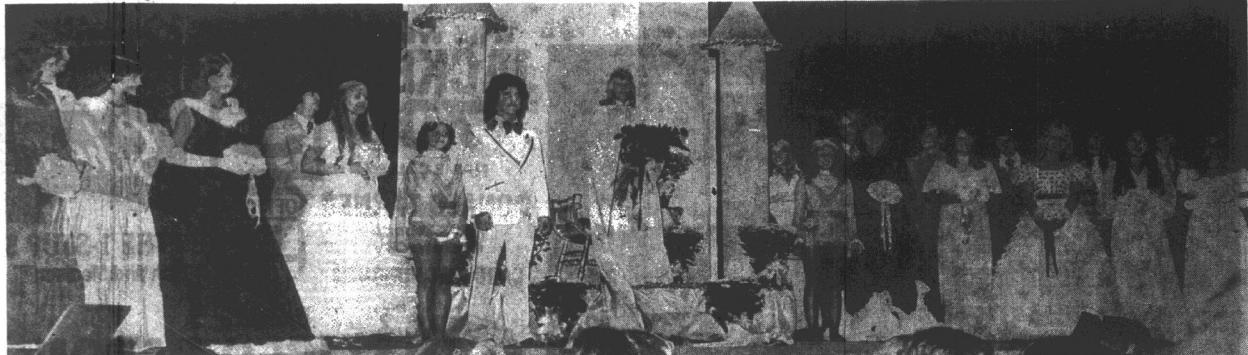

Drivers of two autos were injured at 2:55 a.m. Saturday when their cars collided at Illinois Route Three and St. Thomas Road.

Miss Cheryl Coy, 18, of 4112 Kephart Lane, Pontiac Beach, and Miss Debbie Correll, 22, of 2606 Collier, St. Louis, were both admitted to St. Elizabeth Hospital.

Mrs. Coy suffered abrasions to her left arm, left forehead, lacerations to her head and was in a dazed condition. Miss Correll complained of pains in her right chest area and had cuts and abrasions about her chest and left arm.

**PICKETS ARE REMOVED**  
Constructional pickets were removed Friday from the Tarcas Meat Co., 1200 Greenwood St., Madison, by Brickslayers Local 65, A.O.C. after contractors replaced workers with union bricklayers. Robert A. Weis, Local 65 business manager, said construction of an addition to the packing plant currently is underway.

## 25 President salute dinners

Governor Richard B. Ogilvie, Illinois Ford-Dole Committee chairman, has announced that Gov. Vice President Gerald R. Ford and Senator Robert Dole, GOP vice presidential candidate, will be in Illinois for a "Salute to the President Dinner" at 7 p.m. Thursday at the Conrad Hilton Hotel, Chicago.

Rockefeller, Dole, Ogilvie and other Republican leaders will assemble in Chicago to honor President Gerald Ford and Republicans will meet simultaneously in 24 other cities.

President will be with supporters in New York City and Gov. Ronald Reagan will be heading a gathering in Los Angeles.

The ceremonies in Chicago, New York City, Los Angeles and

other cities will be linked by closed-circuit television.

Purpose of the salute is to provide funds for the Presidential campaign and for Congressional and U.S. Senate candidates.

**DRIVER INJURED**  
Vincent J. Urban, 20, of Granite City, struck his head on the windshield of a car he was driving and was knocked unconscious upon colliding with an auto driven by Harold C. Garrigus, 849 Niedringhaus Ave. 11:46 a.m. Saturday at 10th Street and Madison Ave. Urban was admitted to St. Elizabeth Hospital for observation. Garrigus escaped injury.

## Calvary Baptist scene of McGuire-Belcher wedding

Tall urns of yellow and apricot mums and pom poms intermingled with greenery on the altar at Calvary Baptist Church provided the outdoor setting for the wedding Saturday afternoon of Miss Marilyn Belcher, a daughter of Mr. and Mrs. Earl Belcher, 2824 Victory Drive, and James McGuire, son of Mr. and Mrs. Lawrence McGuire, Rural Route One, Granite City.

Burning tapers in branched candelabra illuminated the altar during the ring ceremony performed by Rev. Al Slater, at 4 o'clock.

Organist Mrs. Marge Ellsworth accompanied Tim Shrader as he sang a selection of wedding music. Selections included "Cinderella," "World," "The First Time Ever I Saw Your Face," "I Honestly Love You," "Sunrise, Sunset," "Wedding Song" and "I'll Be Yours."

Escorted down the white carpeted aisle and given in marriage by her father, the bride chose a full length gown fashioned in Cluny lace.

Veil and lace applique ribbon creased in design on the fitted bodice which featured a high neckline edged with a lace ruffle and Victorian style sleeves.

The controlled skirt swept into a wauette train. She wore a lace crescent headpiece to secure her melody length veil and she carried a bouquet of orange roses, white carnations and Fuji mums.

Matron of honor Mrs. Dale Belcher, the sister-in-law of the bride, Miss Marian Angel Belcher, the bride's niece, a junior bridesmaid, selected identical apricot gown.

The elegant polyester dresses were designed with sleeveless Empire bodies, V-necklines and semi-straight skirts.

The bride and groom wore matching long-sleeved jackets accented with copper color hoods and collars.

Each attendant held a single long stem yellow rose fastened with apricot ribbons.

The groom chose his brother, Darryl Belcher a brother of the bride, Dale Belcher and Johnny McGuire completed the corps of groomsmen and usher. Scott Belcher, a nephew of the bride, was the senior groomsman.

Immediately following the ceremony a reception was held in the church's fellowship hall.

Mr. and Mrs. McGuire, parents of the groom, hosted a rehearsal dinner at Petri Cafe on Friday night.

The newlyweds will reside in Granite City after a wedding trip to the Lake of the Ozarks.

The bride is a 1974 graduate of South High School and the groom was graduated in 1974 from North High School. Both are employed at St. Elizabeth Hospital.

MR. & MRS. PETER MAER ARE PARENTS OF SON

Mr. and Mrs. Peter Maer of Atlanta, Ga., became the parents of their first child, a son, born Friday at an Atlanta hospital.

The infant weighed seven pounds and has been named Jonathan Doyne Maer. His mother is the former Miss Elizabeth Doyle.

The father, a former Granite City resident, is news director of Radio Station WCG (ABC) in Atlanta. He is the son of Dr. and Mrs. Stanley (Dorothy) Maer of Granite City.

The maternal grandparents are Mr. and Mrs. Barney Doyne of New York.

Great-grandparents are Mr. and Mrs. Herman Steinberg of Granite City, Mrs. Frances Maer of Silver Springs, Md., and Mrs. Marie Oury of Nashville, Tenn.

**Illinois Power will be glad to provide a speaker or film for your club or school...**

If you belong to a club, you know it's often difficult to provide an interesting program. Perhaps Illinois Power Company can help. We offer speakers and films for club meetings and school programs.

We have speakers who can talk about a variety of subjects such as wise use of energy in the home . . . how utility bills are computed . . . safety in the home . . . availability of fuels for the future . . . and how a power plant is built.

Illinois Power also has a library of nearly 100 films on subjects such as energy and the environment, cooking, the American business system, baseball, safety, the American presidency and careers in business.

These community service programs are available without charge. If you need a program for your club or school, call your nearest Illinois Power Company business office. Let us help you.

## John Boston Sr., 63, dies

John Robert "Bob" Boston Sr., 63, of 3824 East 25th St., was pronounced dead at 9:20 a.m. Friday at St. Elizabeth Hospital where he had been taken after becoming ill at home. He had been ill one month.

Mr. Boston was born in Elco, Ill., and lived here for the past 30 years. He retired as a painter for General Steel Industries where he was employed 39 years. He recently was employed as a maintenance worker at Marquette Service of Granite City. He was a member of First Assembly of God Church and was affiliated with First Community Church of Collinsville.

Survivors include his wife, Mrs. Delores (Richeson) Boston; son, John, and daughter, Boston, both of Granite City; two daughters, Mrs. Nick (Carla) Carson and Mrs. Brenda Cornett, both of Granite City; one brother, George Boston, of Granite City; two sisters, Mrs. Robert (Jewell) Stone of Troy and Mrs. Fannie Brockus of Edwardsville, and two grandchildren.

Funeral services were held today. Details are given in the obituary column.

## Owen Willtrout succumbs

Owen S. Willtrout Sr., 70, of 315 Sunray Shores, Mitchell, was pronounced dead at home Saturday at 12:45 p.m. He had been under a doctor's care.

Born in Tammis, Ill., Mr. Willtrout worked in Granite City 50 years ago and retired five years ago as a self-employed truck driver. He was a member of Niedringhaus Methodist Church.

His wife, Mrs. Verna Willtrout, preceded him in death in September 1975.

## Night hours for career counseling

For the convenience of students taking night classes at Southern Illinois University at Edwardsville during the fall quarter, University Placement Services has extended its hours of operation, according to David Van Horn, director.

The office will be open from 8 a.m. until 8 p.m. Mondays, Tuesdays, Wednesdays and Thursdays. On Fridays, the office will be open from 8 a.m. until 5 p.m.

Students wishing to obtain career information, career counseling or other job-related information may visit the office any time during the day.

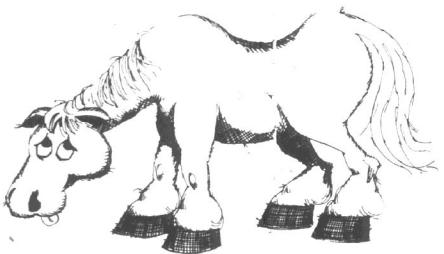

University Placement Services produces business, industry and government bulletins on job opportunities. A bulletin containing employment opportunities in the field of education also is issued, as well as schedules of interviews by business and industrial representatives.

## Kaseberg moving

Howard Kaseberg, Quad-City area farmer, city councilor and former chairman of the Madison County Zoning Board of Appeals, has sold most of his 600-acre farm on Route 111 east of Pontoon Beach and is moving this summer to Sarasota, Fla.

Kaseberg is a former member of the St. Louis Metropolitan Area Airport Authority which has designed plans for a new major airport at Columbia and Waterloo, Illinois. He retains ownership of the portion of property fronting Route 111.

**FIRE AT YMCA** - A tall firefighter task faced the Granite City department at 12:15 p.m. Friday when it was dispatched to the Tri-City YMCA, 20th Street and Edison Avenue. A mattress had caught fire in a vacant room, threatening to spread through the hotel room section but firemen were able to "nip it in the bud." The blaze was attributed possibly to careless smoking, and smoke from the mattress, issuing from a window, alerted passersby. Firefighters remained at the scene for 50 minutes and estimated damage at \$150 to the building and \$50 to the contents.

### PLAN AUDITIONS FOR DANCERS TOMORROW

Auditions for dancers have been scheduled in East St. Louis by the Performing Arts Theater (PATC) of Southern Illinois University at Edwardsville. Persons interested in performing with the dance company may audition on the seventh floor of the SIUE East St. Louis Center, 411 E. Kirkwood, from 6 to 8 p.m. Tuesday, Oct. 5, and Tuesday, Oct. 12.

Katherine Dunham, PATC director, said dance company participants must be 18 or older and have some previous dance experience. She added that the dance company especially needs male dancers. Additional information may be obtained by calling Gloria Forman, PATC office, telephone 271-4400.

### Boy on bike hurt

Cory Charness, 5, of 506 Kirkpatrick Homes, was injured when he rode his bicycle into the street between two buildings in the 500 block of Kirkpatrick Homes and the bike and moving car of Linda Huckleberry, 4602 Kirkpatrick Homes, collected.

The boy was admitted to St. Elizabeth Hospital for observation of head and shoulder injuries.

**WAY TO PLAY ORGAN**  
Specially designed for people who want to play organ NOW!, without hours of practice or lessons. Hammond presents...

  
note-a-chord

This musical innovation combines one finger chords with an exclusive (Visual-Memory) system.

This Hammond spine features Reverberation, Vibrato, Auto Van 28 (several rhythmic patterns), 28 different pattern variations), Autochord and Note-A-Chord.

Here's what Note-A-Chord does for the beginning player:

**Try One-Finger Chords**. Press the Note-A-Chord button and hold it down. When you touch it will lock in place when played. With "Visual Memory", your eyes will tell you the chord you have played. You'll know immediately what chord to play next—Note-A-Chord is remembering what you've played.

**Note-A-Chord with Autochord**—another Hammond exclusive! It makes beginners sound like professionals. Autochord automatically provides alternating chord and pentatonic scales. When a pattern is selected, choose any elaborate rhythm. It's done automatically. Or combine rhythms for added variations.

Note-A-Chord is Hammond's new innovation that opens a new world of music for everyone.

## Howard Kamm, 55, dies

Howard Kamm, 55, of 3100 E. 23rd St., succumbed to a massive coronary at 11 p.m. Saturday at Missouri-Pacific Hospital, St. Louis. He was a survivor of Pearl Harbor and a local resident since 1942.

Mr. Kamm entered Missouri-Pacific Hospital on Tuesday, Sept. 28, after suffering severe chest pains and blacking out momentarily while driving to work on the McKinley Bridge at Venice.

He managed to pull his car out of the traffic to the side of the bridge and recovered sufficiently to drive himself to the hospital. There, he was admitted to the intensive-care unit, a family spokesman advised.

Born in St. Louis, Mr. Kamm lived there until coming to Granite City 29 years ago.

He had been employed the past 20 years at the General Motors plant in St. Louis, where he worked on the assembly line. He was a member of the United Auto Workers of America, Local 22.

Mr. Kamm was in the U.S. Navy during World War II on the USS Torris, a destroyer escort ship in the Pacific. His previous ship was drydocked at Pearl Harbor during the Japanese attack in 1941 and Mr. Kamm was credited with shooting down a Japanese plane. He received a decoration and citation.

## Programs to mark Fire Prevention week in GC

Open house programs at Granite City fire stations will be held Saturday to tell people what happens when the alarm rings, how many people are listening when the alarm rings, how many firemen and pumpers answer an alarm, how and why the city is divided into fire districts, how many firemen protect the city and other important operations.

During the day, the public and visitors will visit the downtown business district from 10 to 11 a.m., Bellemore Village Shopping Center, from 11 a.m. to noon, Nameoki Village from 1 to 2 p.m., and Alton's Village from 2 to 3 p.m.

Parents said that on Friday, firefighters will visit schools, day care centers and downtown Granite City with a standby fire pump.

## Lee B. Casey dies Friday

Lee B. Casey, 76, of 304 Harrington St., Carlinville, the father of a Granite City resident, died at 3:30 a.m. Friday at St. John's Hospital in Springfield. He had been hospitalized for nine days.

Born and reared in Carlinville, Mr. Casey was a life-long resident there. He was a retired steelworker, and was a member of St. Joseph's Church in Carlinville.

Surviving are his wife, Mrs. Clara Casey; two sons, Gene Casey of Granite City and Jack Casey of Carlinville; one daughter, Mrs. Mary Ann Clark of Carlinville; six grandchildren and two great-grandchildren.

Services are being held today at a Carlinville funeral home, with interment in a cemetery in that community.

Three off-duty firemen will be available to tell people what happens when the alarm rings, how many people are listening when the alarm rings, how many firemen and pumpers answer an alarm, how and why the city is divided into fire districts, how many firemen protect the city and other important operations.

During the day, the public and visitors will visit the downtown business district from 10 to 11 a.m., Bellemore Village Shopping Center, from 11 a.m. to noon, Nameoki Village from 1 to 2 p.m., and Alton's Village from 2 to 3 p.m.

Chief Parente said he invites all citizens to attend one of the demonstrations. "To learn why Granite City's Fire Department is one of the finest in the state."

A proclamation setting the Oct. 3-9 Fire Prevention Week was issued last week and a copy forwarded to Parente.

In the proclamation by Gov. Daniel Walker, the governor said, "I encourage all to support the fire services and share in the responsibility for maintaining safety conditions wherever they live and work."

Our produce people know their beans.

We've put special people and special emphasis on the job so A & P produce is always fresh; crisp and plentiful. Seasonal savings are passed along to you. And our produce person is the right one to ask for help, such as how to pick a ripe melon.

Our butchers have taken a pledge to bring you the finest, freshest meats available.

They see to it that there's always a good selection of meat in the case. They've trimmed it right and packaged it "best side down". And when you want a special order they're happy to prepare it just the way you prefer it. Our butchers want you to enjoy every piece of meat you buy.

Our stores are moving. They stamp neat and full of brands to stockers are to help them. Your answer.
